Echo of My Name

Belong · Children

Verse 1

I carry a name that was given with care,
Whispered by someone who wanted me there.
A word full of love, a world in a sound—
My name holds a story that’s always around.

Chorus

Echo, echo… of my name,
It’s more than letters, it’s more than fame.
Echo, echo… across time and space,
It brings me home, it finds my place.

Verse 2

Mi nombre es un río, viene de atrás,
Corre con fuerza, no se detendrá.
My name is a river, ancient and wide—
Flowing through voices on every side.

Chorus

Echo (echo!) of my name (my name!),
Given with hope (with hope!) never the same (the same!)
Echo (echo!) when I speak (I speak!),
My name is power, bold and unique!

Bridge

Say it loud: Amara!
Say it proud: Mateo!
This is me: Leilani!
Family tree: João!
Whispers grow: Amina!
Stories show: Haruto!
Here I stan: Together we shine!

Outro

Echo, echo… in joyful refrain,
Every name we carry, let’s honor the gain.
Echo, echo… a joyful embrace,
In the world of our names, we’re finding our place.
