Mariposa

Play & imagine · All ages

There’s a whisper in your footsteps,
A soft light in how you rise.
Every dream inside your ribcage
Knows the rhythm of the skies.

When the world begins to open,
And your courage starts to shine,
Spread your wings into becoming

Every moment is your time.

Mariposa—¡brillas así!
Libre y radiante dentro de ti.

Abre tus alas, déjate ir,
Naciste fuerte para subir.

Hay un canto en tu camino,
Una fuerza en tu latir,
Cuando el viento te susurra,
Sabes bien a dónde ir.

Mariposa—¡brillas así!
Libre y radiante dentro de ti.

Cada paso, cada intento,
Va contando tu sentir.

Butterfly—oh can’t you see?
Light is blooming where your heart wants to be.

Let your colors rise and flow,
You were made to lift and glow.

Mariposa!
Fly so free!

Mariposa!
Shine in me!

Brilla, brilla!
Shine in me!

Siente el viento…
Let it rise…

Abre alas…
Claim the skies!

When the mountains feel too heavy,
And the world feels far and wide…

Recuerda, niña mariposa,
Tu luz vive en cada paso que das.

Your becoming is a sunrise—
Let it warm you as you grow.

Cada sueño que te llama
Te recuerda quién tú sos.

Mariposa—¡brillas así!

Mariposa—¡brillas así!
Butterfly, you’re rising free.

Libre y radiante dentro de ti,
Every color finding who to be.

Abre tus alas, déjate ir,
Let your brave heart carry you higher.

Naciste fuerte para subir,
You were born a dancing fire.

Hey-hey-ho… hoo-hey…
Siente el viento… fly today…
Hey-hey-ho… hoo-hey…
Mariposa—find your way…
