Not Yet, Still Here

Keep going · All ages

Intro

Not yet…
still here…

Chorus

Not yet—
I’m still here.
Not done—
I’m still here.

Take a breath—
I’m still here.
Try again—
I’m still here.

Verse 1

This part’s tricky,
I can feel—
Something wobbly,
Something real.

I don’t have it—
That’s okay—
I’m still in it,
I can stay.

Chorus

Not yet—
I’m still here.
Not done—
I’m still here.

Breath by breath—
I’m still here.
Step by step—
I’m still here.

Verse 2

Some go faster,
Some go slow,
Some just need
More time to know.

I don’t have to
Get it now—
I can learn it,
I know how.

Bridge

Hands can rest…
Eyes can see…
Nothing’s wrong…
With being me…

Final Chorus

Not yet—
we’re still here.
Not done—
we’re still here.

Side by side—
we’re still here.
We can try—
we’re still here.

Outro

Not yet…
still here.
